Introduction

Welcome to the Georgia Children's Chorus! The purpose of the handbook is to provide you with basic information about the GCC. Please feel free to contact our office if you don't find the information you need.

Statement of Purpose

The purpose of the Georgia Children's Chorus is to provide a high quality choral training and performance opportunity for youth who reflect the community of Athens and Northeast Georgia. The GCC is designed to be a positive and non-competitive learning experience for the singers – one that they will carry with them throughout their lifetime. It is our intent to help children develop self-discipline, responsibility, and a strong self-image. A developmental training program leads to success in performance. The music we sing ranges from classical literature to popular and regional folk music from a variety of national and ethnic origins.

The Georgia Children's Chorus is a self-supporting, non-profit group in residence at the UGA Hugh Hodgson School of Music. The University provides generous in-kind services such as rehearsal, performance, and office space through the School of Music. This enables University students to observe and participate in the training of the young singers in a lab setting. No actual monetary reimbursement from the University is received.

The Georgia Children's Chorus is governed by an active board of directors committed to diversity and multiculturalism with an emphasis on representation from the entire community. Individual and corporate support enables us to offer scholarship assistance to singers who cannot afford tuition and help make the program affordable for all.

Choir Descriptions

The Prelude Choir provides beginning opportunities for young children to experience the JOY of singing and moving! **Grades 2-5**

Standards of Behavior

It is necessary for children who are accepted into the Georgia Children's Chorus to commit themselves to a high standard of behavior. This is just as important as their musical ability.

1. Whenever students are representing the Georgia Children's Chorus, they will exhibit exemplary behavior.
2. Students will show their commitment to musical excellence by having a positive attitude and putting forth maximum effort in rehearsals and performances.
3. Students will cooperate with and respect GCC personnel at all times. Students will be respectful of each other at all times and will treat rehearsal and performance facilities with respect and care.
4. The use of cell phones or other digital devices is strictly prohibited during rehearsals.
5. Students will not be in possession of alcohol, drugs, tobacco products, or weapons at any time when they are under GCC staff supervision.
6. Students are not allowed to dispense any medication to each other.
7. Any student whose work ethic and/or performance level falls below the group standard is subject to have his or her membership in the GCC reviewed in order to maintain the musical integrity of the chorus. This review may result in dismissal.

Georgia Children's Chorus Parent Association (GCCPA)

The GCCPA provides an opportunity for parents to work as a body in promoting the choir through volunteer and fundraising activities. Meeting dates are announced and all parents are encouraged to become involved in the organization's activities.

Rehearsals

Membership in the Georgia Children's Chorus is a commitment to faithful, consistent, and punctual attendance. It is expected that rehearsals take a very high priority in each child's life. Each child is holding a valuable place in his/her choir. All rehearsals are mandatory unless otherwise indicated on the choir calendar.

Prelude Choir

Prelude Choir rehearses on *Thursdays from 4:30pm to 5:45pm* in room 200 in the Hugh Hodgson School of Music Building.

Intermezzo Choir

Intermezzo Choir rehearses on *Tuesdays from 4:30 to 5:45pm* in room 200 of the Hugh Hodgson School of Music Building.

**Combined rehearsal times are 4:30pm to 6:30pm- see our online calendar*

Concert Choir

Concert Choir rehearses on *Tuesdays from 6:00 to 7:45pm* in room 200 of the Hugh Hodgson School of Music Building.

**Combined rehearsal times are 5:00pm-7:30pm- see our online calendar*

MEMBERS OF ALL CHOIRS must check in with the staff member or volunteer taking attendance when they arrive. ***Please be in your seat and ready to rehearse at the start of your rehearsal (This means you should arrive early enough to use the restroom or get water before rehearsal).***

Attendance Policy

1. ***Three absences per semester are allowed.*** Any missed rehearsal or performance, regardless of whether it is excused or unexcused, will count toward these three allowed absences. *All absences should be called into the GCC office prior to the rehearsal or performance or as soon as possible.* **Singers are encouraged to make up any rehearsals they miss.** Any absences *beyond* the allotted number will **require** a make-up rehearsal. ***Exceeding the allowed number of absences may result in not being permitted to perform in concerts or, in extreme cases, dismissal from the GCC.***
2. Saturday rehearsals are very important in preparing for the concerts. Singers are expected to attend these rehearsals.
3. Repeated tardiness or early departure will be considered in the total number of absences. Be sure to check in with a staff member if you arrive late or leave early.
4. In case of severe weather, **rehearsal will be cancelled if UGA campus is closed.** Feel free to call or e-mail the GCC office for confirmation.

5. **Do not** assume that rehearsal has been cancelled just because your school is not in session. Consult the online schedule on our website or the information sent home from rehearsals if you have any questions. Again, feel free to call or e-mail the office and ask.
6. The staff of the Georgia Children's Chorus is very committed to both the members and the organization. While we do consider membership in the GCC to be a school-year commitment, we realize that there are times when students are unable to fulfill this commitment. We ask that this decision be brought to the GCC staff in a private meeting.
7. **Parent Meetings** are extremely important to the GCC program. We strongly encourage our parents to make every effort to attend these meetings. They are very brief and very informative.

Rehearsal Policy

1. Regular rehearsals are held in room 200 of the UGA School of Music. GCC members should be in their seats and ready to sing at scheduled rehearsal times.
2. Please note that special **Saturday Rehearsals** and **Combined Rehearsals** are important elements to the GCC program and members are expected to attend. Please see the online calendar at the GCC website for specifics <http://georgiachildrenschorus.org>
3. It is each GCC member's responsibility to **check in** with the attendance person and **pick up your name tag**.
4. Anyone who wishes to sit in on a rehearsal is welcome, but must get prior permission from the director.
5. We will sometimes send home printed information with singers, but our primary method of communication is through email and our website. **You will be held accountable for knowing this information.** It is vital that you check your email regularly for updates. Our new ServiceU software makes it easy to access forms on our website and reply to GCC regarding attendance at new events added to our calendar. Check the GCC website often.
6. **GCC Concert Choir** members are allowed to take their music notebooks home. Prelude and Intermezzo must return their notebooks at the end of each rehearsal. Each singer is responsible for remembering to bring the notebook to every rehearsal. No stickers or other decorations should be added to the outside or inside of the notebook. Music should only be marked in pencil. You must turn in the notebook and the music at the end of the season. **You may be charged for missing music.**
7. Please, only water in rehearsal. **No food, candy, gum, or other drinks should be brought to rehearsals.** Keeping your vocal cords hydrated is very important. Only water should be in your water bottle!
8. Singers should be picked up promptly at the end of rehearsals and performances. **GCC is not responsible for GCC members until 15 minutes before rehearsal/concert call time, and GCC's responsibility ends 15 minutes after the scheduled pick-up.** If for some reason you are unavoidably delayed, please call the GCC office. ***Parents MUST come into the building to drop***

off and pick up their child. Students will not be allowed to leave the building without a parent or guardian. Parents of Concert Choir members have the option to sign a release form permitting their child to enter and leave the building unescorted. This waives GCC's responsibility to your child before they enter and after they leave the building. **Intermezzo and Prelude singers DO NOT have this option, even if they have a sibling in Concert Choir.**

NOTE: Final dress rehearsals and pre-performance rehearsals are always closed to the audience, including families. Only designated chaperones will be allowed in the rehearsal area prior to a performance. This allows the singers to concentrate on the music, the director, and any necessary final instructions.

Performances

Performances require the very best conduct, appearance, and musicianship. Information concerning specific concerts will be emailed to you and posted on our website. It may also be found in the GCC newsletter, the *Chorister*.

Performance Attendance

All performances are mandatory unless special permission has been given well ahead of time. The sooner the better! If a school performance conflict occurs, the absence must be reported to the Chorus Administrator and the Director in person and in writing well in advance of the performance. School performances which conflict with a mandatory GCC performance will not count as an absence against the singer if the singer completes a prearranged absence form and has it signed by both the school director and the GCC director. An unexcused absence from a performance may result in dismissal from the GCC.

Performance Procedures

1. Singers should always eat a nutritious meal and get plenty of rest before a performance. Be sure the singer has used the restroom prior to arrival at the performance site.
2. Singers should arrive ten minutes *before* the performance call time and immediately check in with the chorus administrator or parent assistant.
3. Tardiness to a performance may exclude a singer from participation at that performance.
4. All performers must arrive wearing proper concert dress attire. Failure to wear proper concert dress will result in non-participation in the performance. *Singers should remain in their complete uniform until they have left the performance site.*
5. Singers should conduct themselves at all times in a calm, polite, and professional manner. They must give their undivided attention to the GCC staff and appointed chaperones at all times.
6. All singers must know the music. Each musician must have a confident command of the performance repertoire.
7. If a singer feels ill during a performance, he/she should quietly sit down on the riser and rest for the remainder of the song. Then, if feeling better, the singer may get up and sing again, or if not, quietly leave the stage. Chaperones are always watching and will help if necessary. Once a singer leaves the stage he/she may not return.
8. Remember that singers represent the Georgia Children's Chorus at all times.

Performance Dress Standards

Just as the chorus' sound is important, so is the chorus' appearance. A well-groomed, neatly uniformed chorus is essential for a truly professional and artistic experience. Good personal hygiene is a must for all singers. Shirts must be tucked into pants.

1. Singer's hair should not be in his or her face. ***No bows***, ribbons, or colored barrettes should be worn. All ponytail holders should be black. No unusual colored hair dye! The director reserves the right to request a singer to change his or her hair if it does not meet the standards.
2. Singers should not wear any dangling earrings, visible necklaces, or bracelets. Rings should be small and tasteful. Watches that make audible signals ***must not*** be worn.
3. Do not bring a digital device or cell phone to rehearsals or performances. They will be taken up!
4. Any makeup worn should be discreet and tasteful. No brightly colored nail polish is permitted for performances.

5. Please do not use any perfume, cologne, or scented lotions. We often perform in close quarters and those scents may make it difficult for some people to breathe, especially if they have allergies or asthma.

6. Any singers who arrive for a concert with incomplete or incorrect uniform may be charged for replacement pieces or may be unable to perform. A missed performance **will count** as an absence!

Music

The GCC Music Library is one of GCC's greatest assets. Great care should be taken to keep the music in good condition. Individual music notebooks are issued to all singers and they are expected to take good care of them. If music or notebooks are lost or irreparably damaged, an additional fee will be charged to cover replacement costs. The fee will be **\$50** for a notebook and music. Please make sure that the sticker with the singer's name is still on the notebook to receive proper credit.

You should also take care to remove all personal items from your notebook at the end of the season.

Handling and Care of Music

1. Never fold or roll music.
2. Never write on music without the permission of the director. Any markings should be done lightly, in pencil, and only at the direction of the music director. Do not deface any piece of music. Blank pages or portions of the music are NOT for drawing pictures, writing personal notes, etc. Photocopied music is done with permission and should be treated the same as an octavo.
3. If for any reason a piece of music is in need of repair, please bring it to the attention of the chorus administrator or one of the rehearsal assistants.
